

DDM-playable creatures in alphabetical order

by A.K./Plastic Finn

update 18.8.2025

Promos: mostly only repaints listed | For Chainmail (metal figures) equivalencies, see a separate list

colours: game other than D&D miniatures, single promotional figure, intended use FOR certain card

italic = earlier and/or painted version of this figure with a stat card exists, see figure above (excluding those getting own card with the set's release)

size: t=tiny, s=small, m=medium, L=large, H=huge, GA=gargantuan, /=separate stand (flying) of new lotR-sets

note: some Heroscape and Attack Wing figures need to be re-based before playable in DDM tournaments
